

**Dear Traveler,**

Welcome to SWAT Spring Break 2009! San Felipe will once again play exclusive host to our Spring Break trips. We have prepared this guide to address some questions you might have, and if they are not answered here, we are available at 714-955-6900 or [info@swatup.com](mailto:info@swatup.com).

### **Company Background**

Now in our 12<sup>th</sup> year of operations, SWAT dominates the West Coast in the student travel industry. Our mission is to be the leader in global marketing, travel and entertainment by creating the credible experiences with the highest level of quality and client satisfaction.

### **Why San Felipe?**

San Felipe is a former Mexican fishing village located 2 hours south of Calexico/Mexicali on the Gulf of California side of Baja, California. It is safe and secluded, with average temperatures in the 80's, and is renowned for no rain during Spring Break. SWAT literally takes over the town during Spring Break and it is one of our favorite places to go!

### **Safety and Security**

We bring professionally trained, bi-lingual staff to provide assistance to our travelers. We have a medic team comprised of off-duty paramedics available in case a student gets sick or injured. We also bring a professional security team that has been running trips with us since 1997, to be there as a presence. We know personally, and work closely with San Felipe officials (the Mayor, Police Chief, Bureau of Tourism, and the hotel and club owners) to make sure our travelers have a fantastic experience in Mexico! The entire SWAT Staff is available 24/7 to our travelers, to make sure the students have a safe and memorable experience!

### **Professional Staff**

Our staff will greet travelers at the bus the morning of departure. Once the students arrive in San Felipe, our on-site staff will greet the group with a Welcome Orientation on their bus. They are given important items and information; including a trip wristband that identifies them with the SWAT group. Their room keys will already be pre-assigned, so all they need to do is grab their bags and head straight to their rooms. They will also receive an itinerary with scheduled events for both day and night. The students will also be informed where to find our Staff, if they have questions or concerns. Our staff is housed at the same properties as the students and are at all SWAT events, to assist in making this a memorable Spring Break!

### **Why Travel with SWAT**

- 12 years experience
- Over 110,000 satisfied customers
- Early Online Booking Incentives
- Exclusive Day and Night Events
- Close relationships with City of San Felipe officials
- On-site bilingual Professional Staff
- On-site bilingual EMT/Medic Team and professional security

### **Do you need a Passport to travel to Mexico by land?**

You do not need a passport to travel into Mexico by land, but if you don't have one, you WILL need your original birth certificate AND driver's license.

**Don't miss out on the time of your life, sign up today! We look forward to seeing you in San Felipe.**
